AMFICO
AGENCIES PVT. LTD.

Amfico Agencies Pvt Ltd having its head office in India is the All-India Representative for a number of Internationally renowned companies looking to enter into the Indian Subcontinent.

We cover a plethora of services and products for our principals to ensure efficiency and profitable business solutions.

The company's vision is to be a **'One Stop Shop'** for the Bulk Liquid Industry including, Logistics and Safety. To bring together businesses and the best technology from all over the world to India, hence the past decade Amfico has expanded its vision and segmented the business into 3 verticals namely ALL Hub, Services and Trading.

We have an excellent team of professionals for each of our verticals who hold vast experience in handling the above verticals. Amfico remains dedicated to keep its Clients, Business Partners & End Users updated with the latest developments and technology.

Late Keki Byram Cooper an entrepreneur par excellence started his career with one of India's prominent shipping companies. After a long and successful career in shipping in Mumbai and Gujarat, entrepreneurship became his choice. Today, the Cooper Group of companies has interests in International Representation Shipping, Wellness and Hospitality.

During his illustrious career Late Keki had garnered many awards, citations and appreciations. One of the many was The National Safety Award for outstanding performance in Industrial Safety. He was instrumental and actively involved in the development of ports of Kandla, Jamnagar, Bhavnagar, Magdalla, Dahej and Pipavav.

Late Keki has held coveted posts such as:

- 1) Trustee of the Kandla Port Trust.
- 2) Member of "The Ports Advisory Committee" of "The Gujarat Maritime Board".
- 3) President of "Kandla Steamship Agents Association".
- 4) Vice President of "Kandla Stevedores Association".

LATE KEKI BYRAM COOPER

CHAIRMAN

AMFICO
AGENCIES PVT. LTD.

Farhad K Cooper, son of Late K B Cooper, needs no introduction in the tank container industry. Under his leadership and business acumen, the company has been instrumental in expanding the business into diversified profitable verticals over the last few years.

Amfico known for its tank container management services has developed into a wide ranging business that encompasses in all a '**One Stop Shop**' for the tank container industry.

With the introduction of his brainchild "**ALL HUB** Amfico Liquid Logistic Hub, Farhad has brought together a one stop service facility for the tank industry that includes Tank Coating, Cleaning, Repair and Maintenance, Drumming and Warehousing and Liquid Transfers of the highest standard.

Today Amfico is not only focused on ISO Tanks but is an all INDIA representative of many leading products and services for companies globally.

His vision of Amfico being a multi-faceted center for the industry has been revolutionary in the formation of the growth of the company. He has built under his tenure a revolutionary concept of bringing together a variety of businesses centered around liquid bulk.

He is from the belief that knowledge is power and is constantly focused on training not only his employees but also his customers on safety aspects of the industry.

FARHAD K. COOPER

MANAGING DIRECTOR

AMFICO AGENCIES
LEADERS IN LIQUID LOGISTICS SERVICES

WHY AMFICO ?

Amfico is one of the most renowned and diversified companies in the field of bulk liquid logistics. It has created a niche for itself by catering to MNCs and Local Conglomerates across the globe who are seeking bulk liquid logistics in tank containers / flexi-bags for international and domestic use. Armed with a strong technical team of well-experienced officers and engineers as well as several consultants the company is able to provide customized solutions for its clients for decades.

WHO WE ARE ?

Amfico is an All-India Representative of selected prestigious International Companies and as part of its representation, it provides an array of services, products, and business solutions giving them a smooth entry into the lucrative Indian market ensuring their products reap rich dividends. Amfico's business is currently spanned across three verticals namely **Services, Trading and ALL HUB**. Amfico's constant strive for introducing new quality products to its portfolio in the liquid logistics industry has led to its steady growth, valued customer support and has recognized it as an industry leader.

VISION

Amfico aims to be a **'One Stop Shop'** for the ISO Tank Industry, Bulk Logistics and Safety. Our vision is to bring together businesses and the best technology from all over the world to India.

AMFICO
AGENCIES PVT. LTD.

Trading

Amfco represents many international companies across the globe in India. It has been the key driver to understand the lacunae of the market and bridge this gap for the liquid logistics and tank container industry.

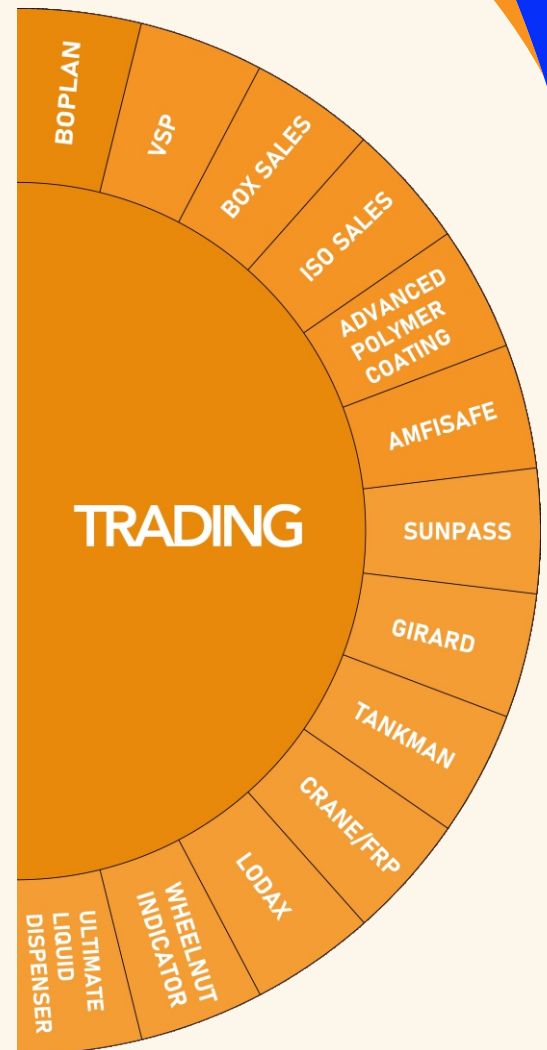

The trading division represents a large number of diversified segments under its belt covering Technical Spares and Accessories for the tank container industry. Valves, Gaskets, Claddings, Gauges, Manlid Seals, Thermometers, Top Discharge Equipments and other metal spares for companies such as Girard a USA leading manufacturer of ISO Tank and Tank Trailer Equipments; as well as SunPass a specialized manufacturer of high quality equipments for use in Chemical and Food Grade tank containers.

To enhance innovative and latest safety measures in Warehousing and Factories, Amfco represents Boplan a leading manufacturer of durable and efficient safety barriers for demanding environments. Modular Systems, Elasticized Barriers, Safety Gates to ensure equipment and workmen safety. To ensure security of multiple in transit cargo by air, sea and rail Amfco represents Zerpo a manufacture of Dunnage Air Bags that are suitable for most types of shipping, including bulk ship, railway, container, truck etc.

Further expansion of its trading division has been the venture in the Wellness Industry representing Sanitization Devices such as PureSan a UK based On Air and Surface Sanitizer certified to kill most viruses, bacteria as well as COVID 19 virus. Trading and representation of accessories for hospitality and pharma industry with the introduction of innovative nitrile gloves that are chemical resistant, abrasion and puncture resistant.

Food & Beverage industry has had a lot of innovations globally. Amfco has had the vision to represent a UK based liquid dispensing company by the name of Liquid Dispenser UK. Amfco currently trades in innovative front and back kitchen equipment for dispensing sauces in a cost effective and innovative way.

The trading & manufacturing division of Amfco has mushroomed a diversified inhouse PTFE manufacturing facility for gaskets at its depot in **ALL HUB** at Nhava Sheva by the name of TANKMAN. Manned by a team of engineers, TANKMAN will be the new foray in the domestic gaskets industry.

Services

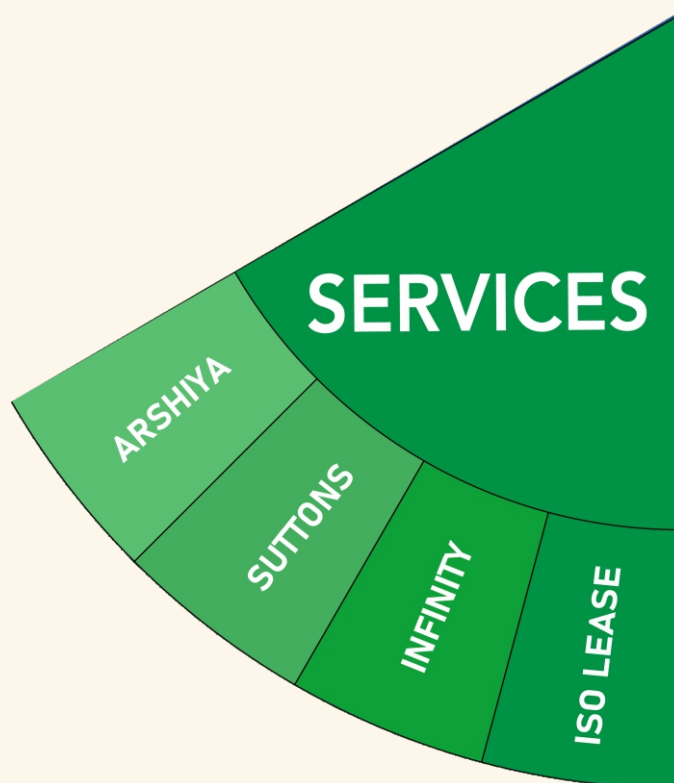

Under Services, Amfico represents UK's largest privately owned specialist logistics company .

M/s Suttons International and handles all aspects of their fleet of ISO tanks in the region. Suttons is one of the world's leading specialist logistics and supply chain companies. Amfico's scope of representation includes services such as freight forwarding, custom clearance and transportation. Amfico has been the sole representative of Suttons for two decades transporting chemicals, gases, mineral oils for its clients.

Infinity Bulk Liquid Solutions is a Malaysian Flexibag and Flexi IBC manufacturer and operator for the past few years. Their manufacturing facilities practice inhouse quality control and conduct vigorous tests in a controlled environment using advanced equipment including ultrasonic leak detectors.

These Flexitanks are conscious of environmental preservation and green logistics and hence do not contaminate the environment and are 100% Recyclable.

Amfico's activities include import, stock, transport, customs clear, handling freight and fitting of the flexibags for various customers as per their requirements.
